

Welcome to the first H.I.R.E project Newsletter!

The project has been launched!

The project kicked off in December 2024 and the first Transnational Meeting was held In March 2025 in Poland where the partners met officially!

The H.I.R.E ('Hotel Inclusive Recruitment Education') project is comprised of partners from Poland, Greece and Cyprus.

The partners are:

- Dobre Kadry (Poland)
- Hellenic Institute of Sign Language (Greece)
- Larnaka Tourism Board (Cyprus)
- Sandy Beach Hotel (Cyprus)

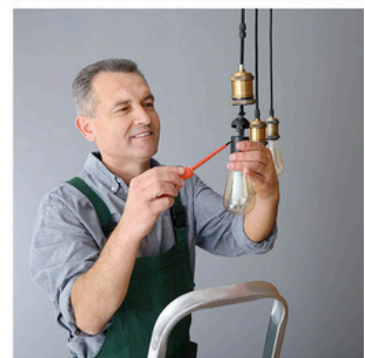

Project Objectives

- To effectively support employers in the hotel industry in solving the problems of staff gaps through educational tools.
- To enhance the employability of Deaf persons and mature people aged 50+ in the hospitality industry

HIRE

Hotel Inclusive Recruitment Education

The project poster has been prepared and the partners are beginning their dissemination of the project.

Project Progress:

1. The summaries of the Primary Research have been completed and presented.
2. Working in a hotel from a deaf person's perspective has been presented.
3. The scope for the Focus Group Interview (FGI) – Scenario and Research Areas has been agreed.
4. The Dissemination Package is in process.
